Message from the head teacher

Thank you for your continued support for our Covid19 safety arrangements here at school. Current guidance from OCC is that these should remain in place until the end of the summer term. They will be reviewed by Mrs Hillier before the beginning of the new academic year and parents will be emailed with an update on 1st September

Move-up Day

On Friday 16th July, children in YR – Y5 will spend the morning having fun in their move-up classes; Y6 pupils will be supervised by Mrs. Wortley

Leavers

We have been liaising closely with secondary schools about Y7 transition and last week hosted a visit by Mrs Belcher from Langtree School. Mr Choi, from Wallingford School will be visiting tomorrow. Our programme of leavers' events will include a service (we are grateful to Rev. Davies who has offered to lead this on Zoom for us); presentation Bibles and an outdoor adventure day at Path Hill. CHiPP Committee members are kindly organising the ordering of hoodies.

Clubs

We are currently making arrangements for clubs for the autumn term; there'll be an update about this in due course. The excellent Checkendon Pre-School Breakfast Club will continue to provide childcare before school.

Assessment and reporting

Teachers are working hard preparing end-of-year Annual Reports to parents and these will be sent out on Friday 16th July. We have retained the format we used last year which includes teacher judgements about attainment in relation to expectations for the year group as well as the opportunity for pupils and teachers to identify strengths and targets for developing independent learner skills.

Dates for Your Diary
