

OWL CLASS LETTER 22nd May 2020

Dear Owl Class,

I hope you are all well and happy. Thank you for keeping me updated and sharing all your wonderful work; you should all be very proud. There were some fabulous colour poems written and I really enjoyed seeing your short videos on 2Animate too. Next week is half term so there is no need for you to do any school work. I have, however, added a few ideas and suggestions to this letter should you have any spare time on your hands.

Half term ideas

Here are some ideas you might like to try over half term:

- Try these 10 minute shake up games inspired by Disney characters. There are some games you can play on your own and some you can play with other family members.

- If you are feeling crafty, then have a look at Cbeebies House Makes. Watch the video, check you have all the equipment and away you go!

- Jamie Oliver has teamed up with his son, Buddy, and together they have shared lots of their favourite family recipes.

- Go on virtual visits to London Zoo and Whipsnade Zoo.

- Draw your own alien, sausage dog or penguin with author and illustrator Rob Biddulph.

After half term, your online learning will be changing. We will send you further details at the end of next week, so that you can get ready for the new term.

Have a wonderful half term.

With best wishes from,
Miss Watt and Mrs Wortley
