

OWL CLASS LETTER 3rd April 2020

Dear Owl Class,

We hope you are all healthy, happy and have enjoyed your second week of home learning. Next week is the beginning of the Easter holidays and you all deserve a well-earned break! We have, however, included a few optional, fun Easter activities to keep you entertained. We hope you enjoy them!

Optional activities for the Easter holidays

Outdoor activities

There are lots of great ideas on the Royal Horticultural Society website.

We like the look of the snap cards and the idea of making plant dyes to decorate hard boiled eggs.

Easter recipes

There are lots of easy Easter recipes to try on the BBC Good Food website.

Craft ideas

If you have some spare wool at home, you could try making a pom-pom Easter chick or use left over scraps of wrapping paper to do some Easter egg paper weaving.
