

OWLET CLASS LETTER 1st May 2020

Dear Owlet Class,

I hope you have all had a good week? I have missed the sunshine this week but the rain has been good for my garden and growing vegetables at least. To continue our 'Wild and Wonderful' learning project this week I have chosen activities all about ladybirds, based on the book What the Ladybird Heard. There are some suggested activities linked to the topic below.

Conquer Maths

Lots of great work on Conquer Maths this week, well done everyone! This week I've set you two tasks to have a go at.

Purple Mash

How are you all getting along with Purple Mash? Any problems or questions please get in touch and I'll do my best to help. Using Purple Mash we can email each other and I can also set tasks or 2dos for you to try. This week I've set two minibeast activities, you can save your work when it is done (you each have a named folder in Owlets class) and then I can see it too. I've also sent you all an email using 2email.

Reading

Oxford Owls have a free online library of books available which you might find useful to freshen up reading books.

<https://www.oxfordowl.co.uk/for-home/find-a-book/library-page>

This week's optional activities

Monday Read the What the Ladybird Heard. If you don't have a copy of the book there is a video of Mrs Thomas reading the book on her youtube story time here <https://www.youtube.com/watch?v=eLwdmSFVpaI>

Can you spot all the rhyming words?

Can you write a list of all the different animals who live on the farm? What noise do they make?

Another good story about ladybirds you might like to read is The Bad Tempered Ladybird by Eric Carle.

Tuesday Learn all about ladybirds and their lifecycle here <https://thekidshouldseethis.com/post/a-ladybug-ladybird-life-cycle-time-lapse>

Go on a mini beast hunt in your garden. How many different mini beasts can you find? (pdf attached)

Wednesday Have a go at making a simple bug house <https://www.redtedart.com/simple-bug-hotel-for-kids/>

Thursday Lego Challenge – how many minibeads can you create using Lego? Can you create your own minibeast?

Friday - Bank Holiday

Thank you for all the emails so far, it's really lovely to hear from you. You can now email me via Purple Mash to share your learning experiences, attach photos or just say hello and let us know how you are.

Love from,

Mrs Wortley and Mrs Thomas
