

OWLET CLASS LETTER 29th May 2020

Dear Owlet Class,

Welcome to the summer term. I hope you've all had a great half term? I was lucky enough to get some more visitors to my garden this week, a Muntjac deer and her baby! Mr. Wortley was able to take some photos as they played in the sunshine.

After half term our online learning will be changing. From Monday 1st June, we would like you to use the Oak National Academy <https://www.thenational.academy/> for your daily English and maths lessons. These are carefully planned, interactive lessons delivered by experienced teachers. We will be using the same lessons in school. In the afternoon, you get a choice! You can explore your own independent learning projects, use the foundation lessons on Oak Academy, follow the ideas below, or, do a mixture!

Whether they are learning at home or in school, we'd like to invite as many pupils as possible to join in a weekly Oak National Academy assembly at **10:30 every Friday**.

Optional activities for week beginning 1st June

The optional activities are all based around the theme of Under the Sea.

Monday Read the Rainbow Fish by Marcus Pfister. If you don't have a copy of the book there is a video of the story here <https://www.youtube.com/watch?v=QFORvXhub28>

Tuesday Visit the National Marine Aquarium and see the feeding sessions for a variety of different sea creatures. Or enjoy this relaxing clown fish video https://www.youtube.com/watch?v=kBeK1RHv9U8&feature=emb_rel_pause

Wednesday Can you create a bizarre sea creature? Using 2paint can you create a sea creature made of different animals (e.g. the head of a fish, the body of a cow, the feet of an octopus)?

Thursday Choose one of the craft activities from the National Marine Aquarium and make your own jellyfish, octopus or eel. <https://www.national-aquarium.co.uk/explore/aquarium-fun-at-home/>

Friday Can you use 2animate on Purple Mash to create an underwater animation?

Thank you for all the emails, photos and messages so far, it's really lovely to hear from you all and find out what you are up to.

Love from,
Mrs. Wortley and Mrs. Thomas
