

## PANDA CLASS LETTER 22<sup>nd</sup> May 2020

---

Dear Panda Class,

I hope you've been enjoying the sporty week this week. It's been amazing to read about so many fabulous sportspeople in your families. Well done for all your hard work this term, I'm so proud of all the great work you've done. Opening PurpleMash to look at it all is so exciting! Next week is half term so there is no expectation for you to do any schoolwork, unless you'd like to of course!

### Half term ideas

Here are some ideas you might like to try over half term:

- Watch this trailer for Star Wars A New Hope (1977) [https://www.youtube.com/watch?v=1g3\\_CFmnU7k](https://www.youtube.com/watch?v=1g3_CFmnU7k) and design and describe a new character. You might want to animate it using **PurpleMash**.
- Think about what it might be like to be a millionaire. Draw a tree with money notes instead of leaves – in the money, write how you might spend your money to help yourself and others.
- Use **2Type** to learn to type like a pro, so you can feel more confident when writing emails and PurpleMash work.
- Learn some magic tricks using the attached sheet to help. Can you wow your family?
- How about doing some 'wild weaving'? Make a simple loom out of a forked stick and some string and weave other natural materials into it. You could also make a loom by lashing 4 sticks together and adding two more sticks across to divide it into three rectangles.

After half term, your online learning will be changing. We will send you further details at the end of next week, so that you can get ready for the new term.

I hope you have a really lovely, sunny half term,
