

RHINO CLASS LETTER 27<sup>th</sup> March 2020

Dear Rhino Class,

I hope you are all enjoying the sunshine.

Everyone in the class was so focused at the end of last week, including the two Big Writes that we completed. Here is a photograph of you 'in the writing zone' – I am

very proud of you all.

Here I am following the daily PE workout with Joe Wicks in my lounge. If I can do it, you can do it too!

### This week's optional extras:

#### Keeping up to date

Read the mini newspaper attached as a PDF or watch NewsRound and complete the weekly quiz  
[https://www.bbc.co.uk/newsround/news/watch\\_newsround](https://www.bbc.co.uk/newsround/news/watch_newsround)

#### Reading

Have a go at a CGP reading test and self-mark using the answers in the back of the book and keep underlining those key words in the question and the answers in the text extracts.

*Year 6s should be doing your 10-4-10 SATs reading exercises daily*

#### Maths

Have a go at a CGP maths test and self-mark using the answers in the back of the book (keep the 3-seconds rule so that you are reading for meaning). If you don't get an answer correct, write the question out again in your green workbook and show all your workings to get to the correct answer. A fun way to practise 9 x tables <https://www.bbc.co.uk/teach/supermovers/ks2-maths-the-9-times-table/zr2gt39>

*Year 6s should be doing your 10-4-10 maths SATs exercises daily in week 5 and week 6.*

**Writing** In class we have been working on using the correct speech punctuation; you could try this:

<https://www.bbc.co.uk/teach/supermovers/ks2-english-inverted-commas-with-mr-smith/z62rhbk>

*Year 6s should be doing your 10-4-10 Grammar, Spelling and Punctuation exercises daily*

**PSHE** Picture news – *What is it like to start again?*

#### Physical exercise

I hope all of you have been exercising at 9am each day with Joe Wicks. Let me know how you have found this. I have decided that I don't like kangaroo jump over the log or mountain climbing exercises! But I loved reaching for the stars this week. Keep this up! I have also been going for a 20 minute walk each afternoon – I hope you have enjoyed being outdoors too.

#### Independent learning project

As we would have gone to the Fire Station this week for our citizenship visit, I have attached the workbook. If you can print this out, you could complete the book; if not, you could go through the pages on the screen. Then, you could write up 3 key things you learned about keeping safe and send these to me via the office email with RHINO CLASS in the subject. Take care, Mrs Mottram
