

## RHINO CLASS LETTER 29<sup>th</sup> May 2020

Dear Rhino Class

I hope that you all had a wonderful half term. Our new home learning format will help the whole of Rhino Class to be working along similar lines as some of you begin to return to school. These are carefully planned, interactive lessons delivered by experienced teachers which we will also be using in school. Each day you will have a National Academy online lesson to complete for maths and English. Following this you will have the option to complete the foundation subject lesson of the day, also on the National Academy website, or to continue with your independent learning project.

On top of this you have your reading, CEW spelling, Letter Join, Spell Zone, Conquer Maths strands, Curriculum Visions, Purple Mash, BBC Bitesize daily activities and a daily form of exercise to choose from. Whether they are learning at home or in school, we'd like to invite as many pupils as possible to join in a weekly Oak National Academy assembly at **10:30 every Friday**.
